

# THE TROPHY

# 4

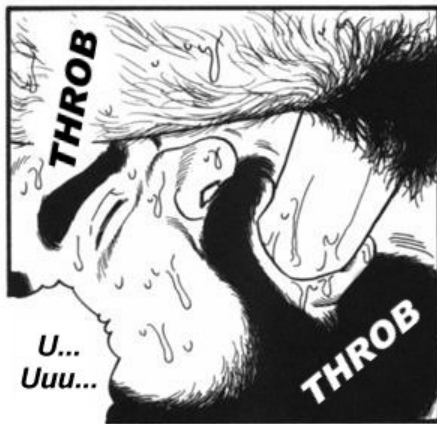

Congress-  
man  
Ohkawa,  
which  
slave  
do you  
prefer?

I love  
Funayama;  
he's a real  
treasure...

...but  
Mishima  
is also a  
fabulous  
trophy.

Oh Yes!  
They can  
compete  
against each  
other to see  
which is  
better!

Well,  
stand  
up!  
Now it's  
time for  
us to test  
your abilities  
as slaves  
against  
each  
other...

First, let's see how many times they can cum without taking a break.

Uh...

Oh God...

We'll compare the time they take and how much cum they can shoot.

**WANK!**

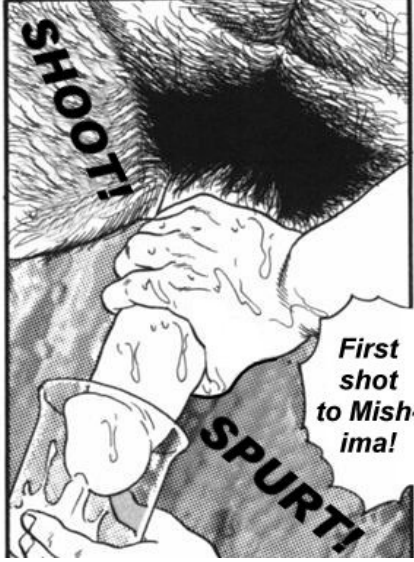

**WANK!**

A...  
Ah...  
Ag...

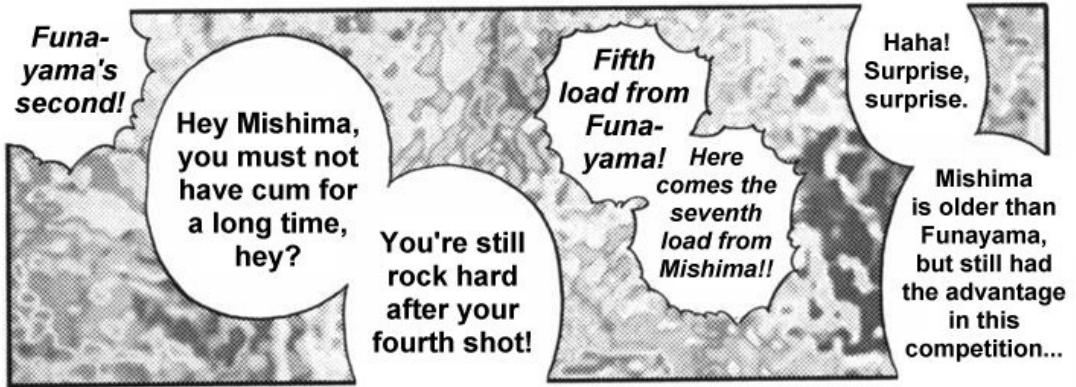

D...  
Da...  
Damn

**SHOOT!**

First shot to Mishima!

**SPURTI!**

**PUMP!  
PUMP!**

Grrr...  
Grrr...

Inject two  
more litres  
of glycerin  
solution.

**SQUEEZE!  
SQUEEZE!**

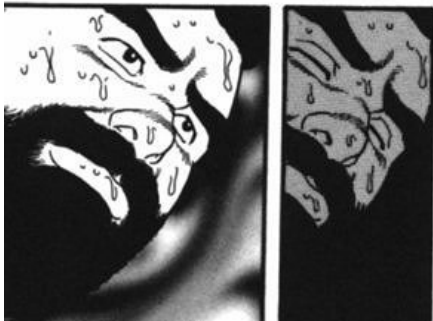

The first  
of you  
to leak  
is the  
loser.

If you're  
the overall  
loser of the  
contest,  
you'll be  
severely  
punished.

Ah...  
Ah...  
Ohhh...  
Argh...  
Umph...

Gaa  
Mmph!

Umph  
Garph  
Eeck

Funa-  
yama  
is the  
winner!

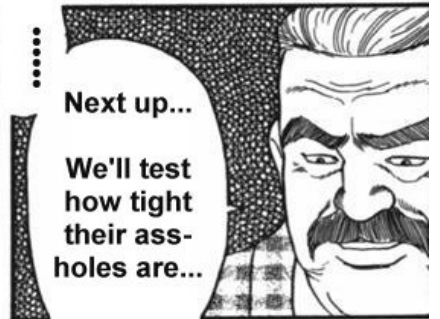

A...

Ah...  
Ahh...

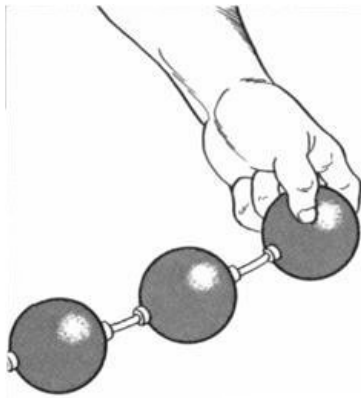

Uuu-  
uaa-  
aaa-  
aaa-  
ahh!

Next up...

We'll test  
how tight  
their ass-  
holes are...

Alright you two pigs...  
On all fours  
with your  
asses high  
in the air!

Uhh...

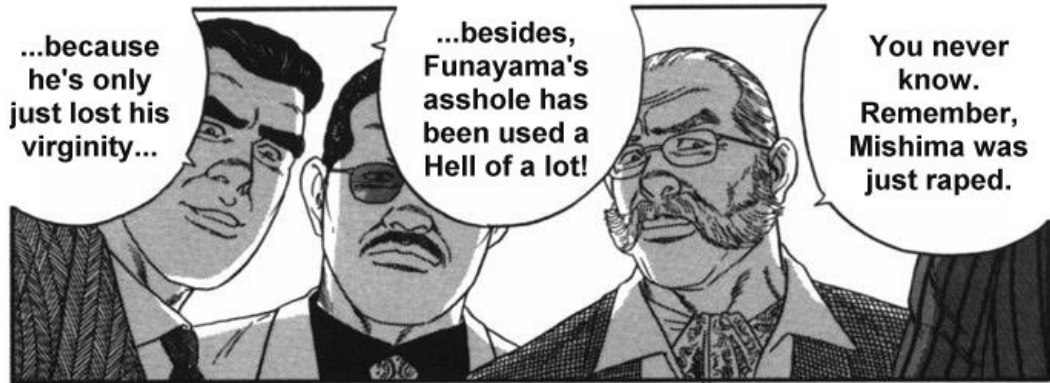

Now  
Pull...

When all  
the balls  
are pulled  
out of your  
ass, you're  
the loser.

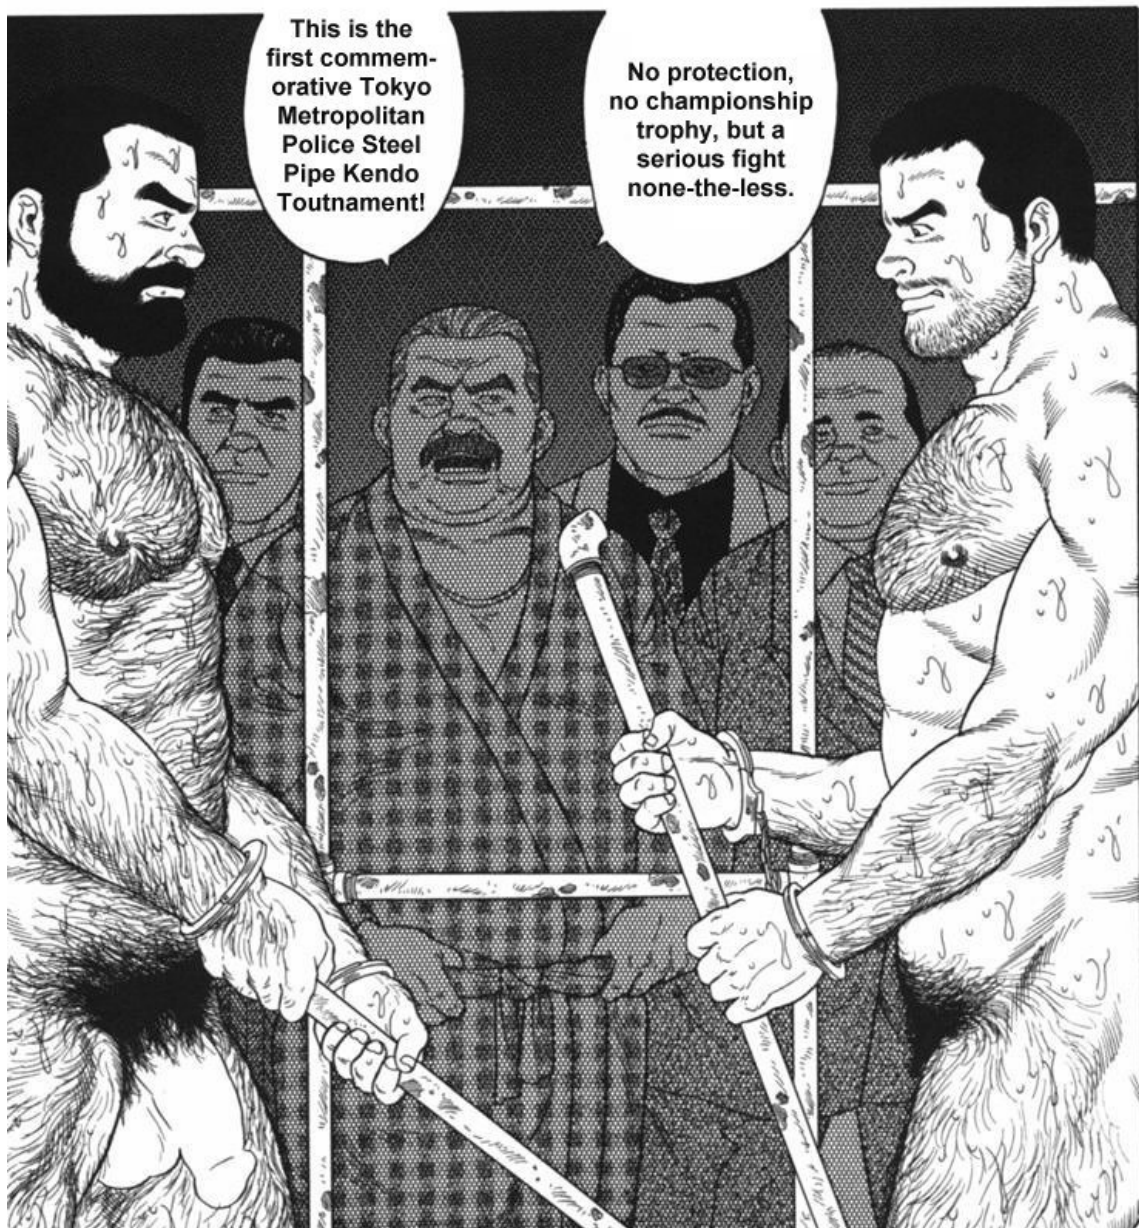

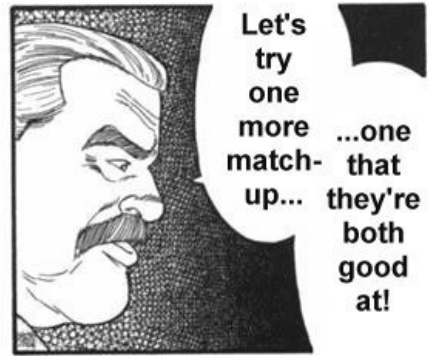

Grr...

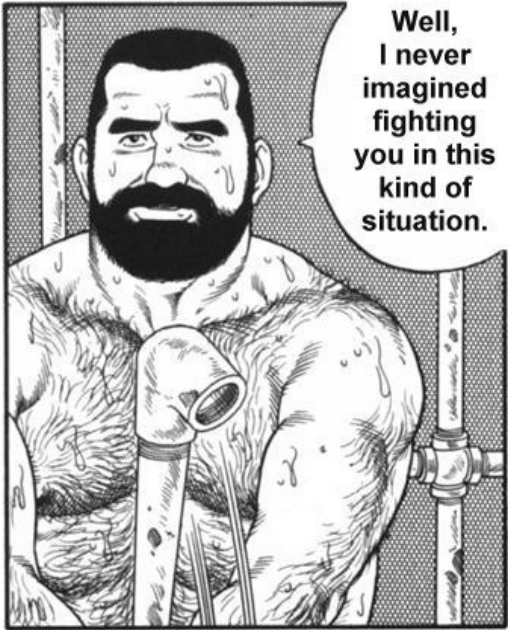

Hey, do  
you want  
to have a  
side bet  
with me?

But  
Mishima  
has the  
advantage  
in this  
match...

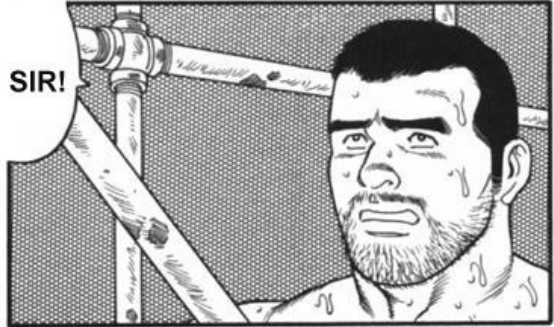

Well, I never imagined fighting you in this kind of situation.

SIR!

Start!

**CLANG!**

**BONG!**

**CLING!!**

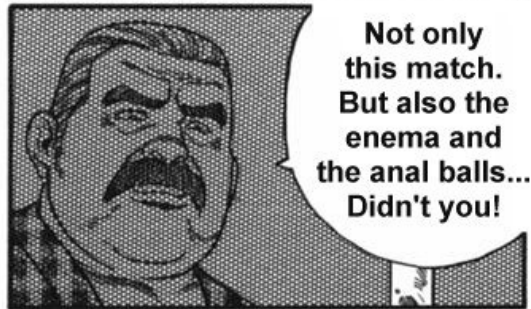

I won't be cheated by you, Mishima.

.....

You lost intentionally, didn't you?

Not only this match. But also the enema and the anal balls... Didn't you!

You want to protect Funayama from punishment, by taking it on yourself.

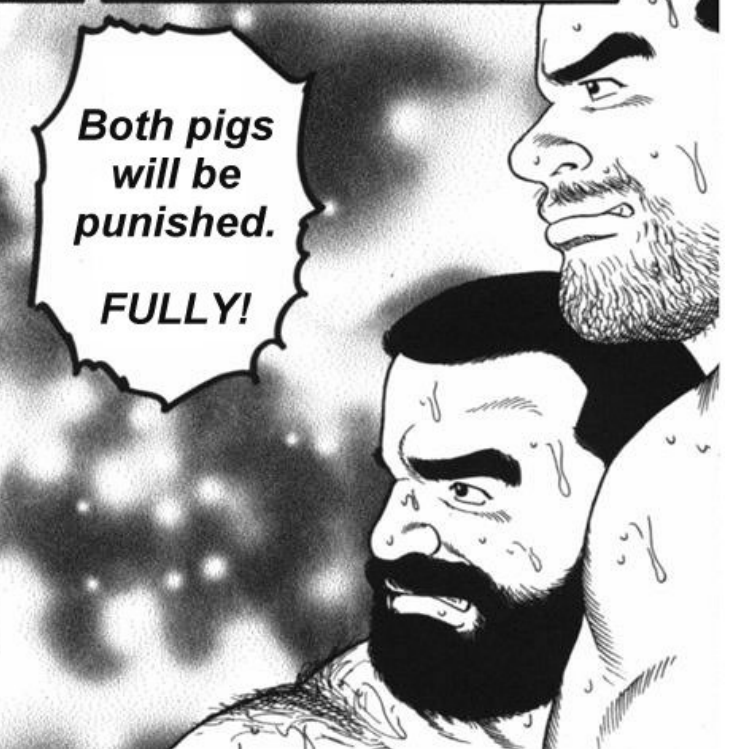

Wha...

What a beautiful story it is.

But I hate being cheated!

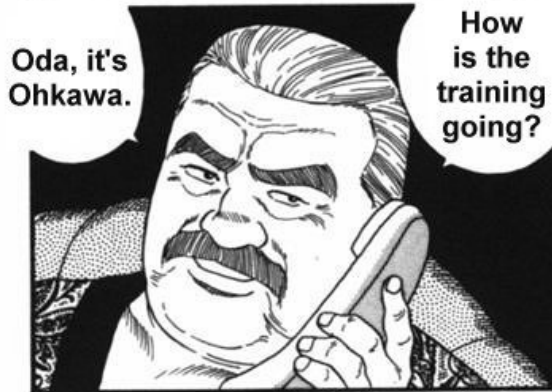

**Both pigs will be punished. FULLY!**

**WEEKS LATER...**

How is the training going?

Okay, Sir.

As you ordered, we've pierced his nose, nipples and penis...

...and we've expanded his asshole. It's out past six inches wide all the time now.

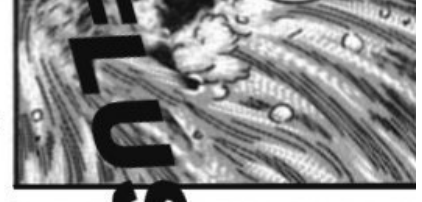

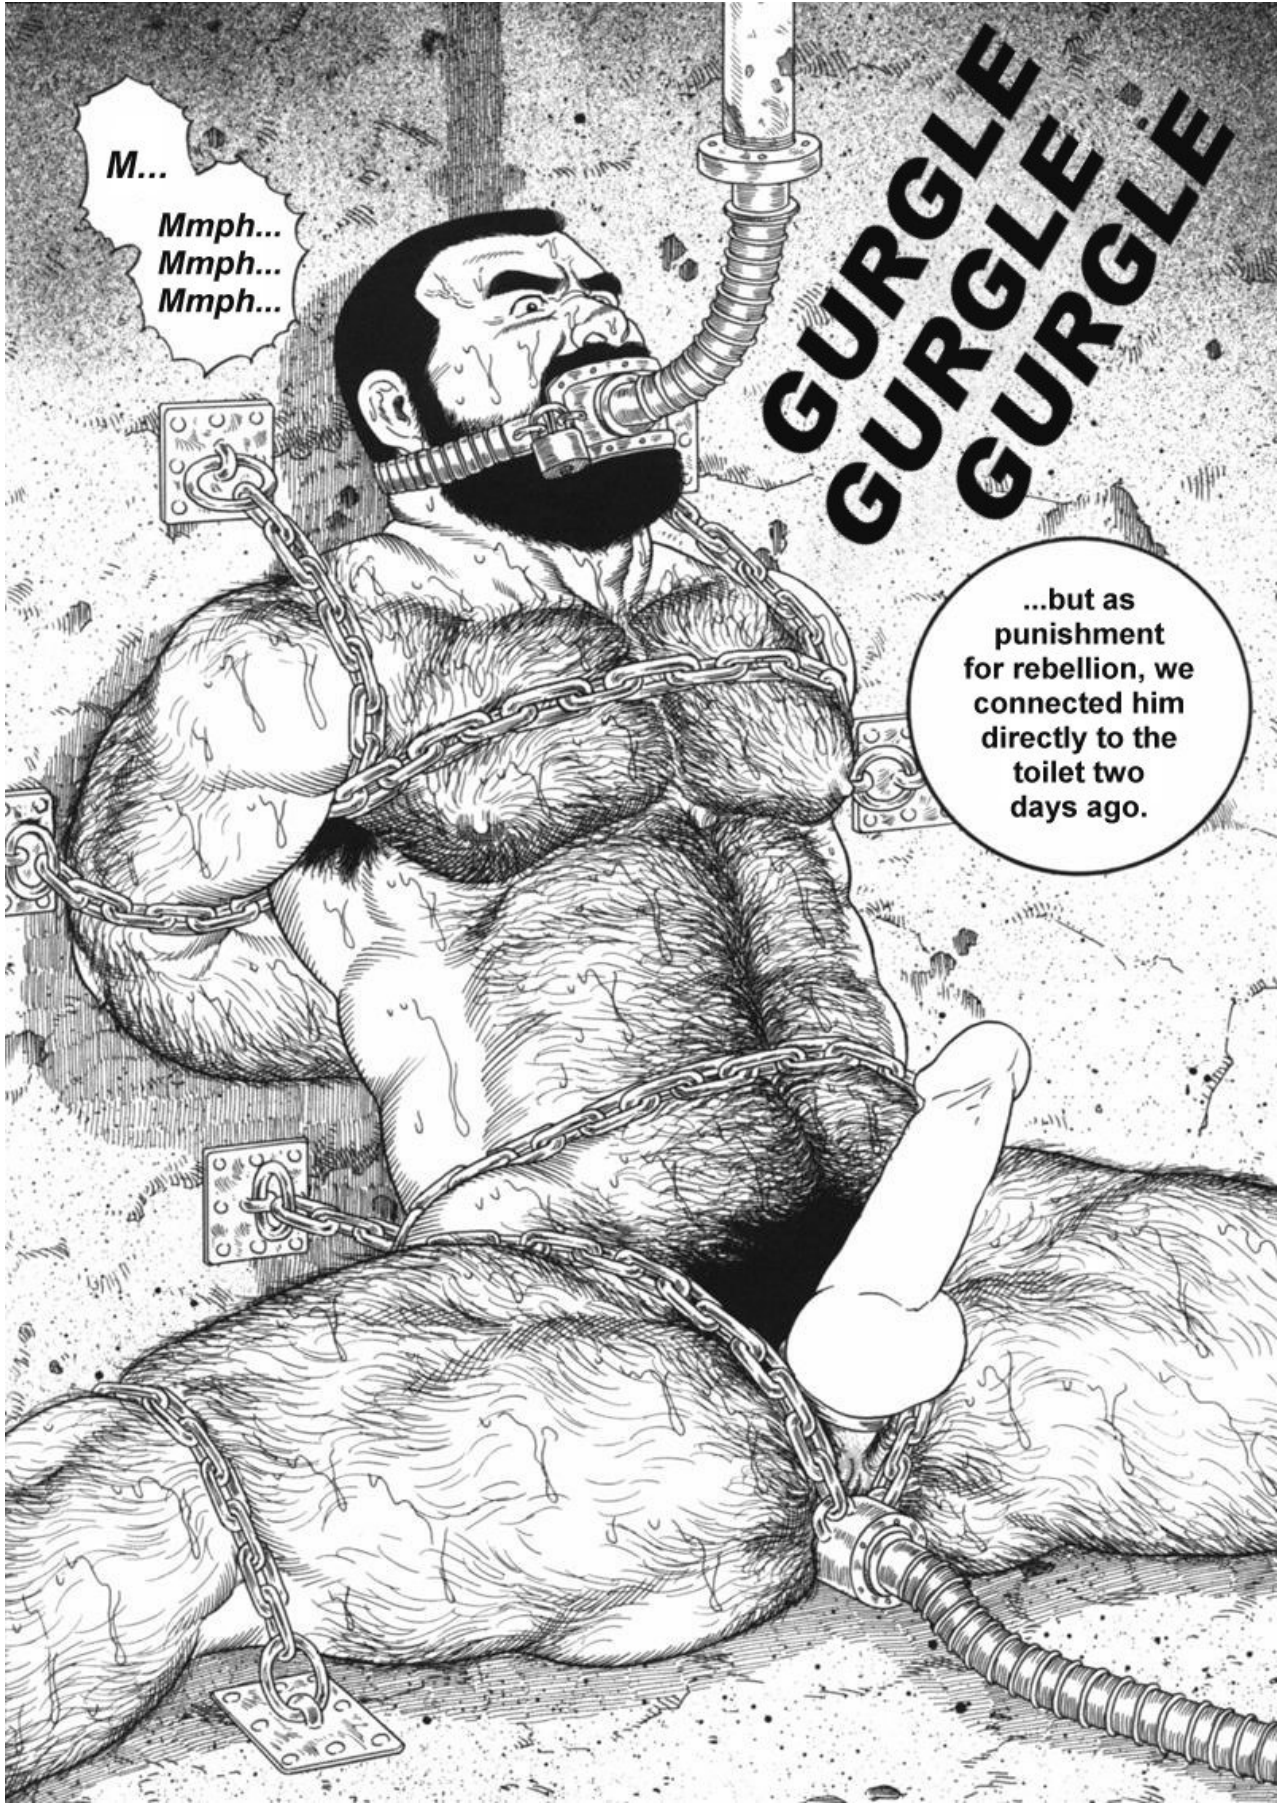

But Mishima is...

So he still opposes us, does he?

It's better than it was before...

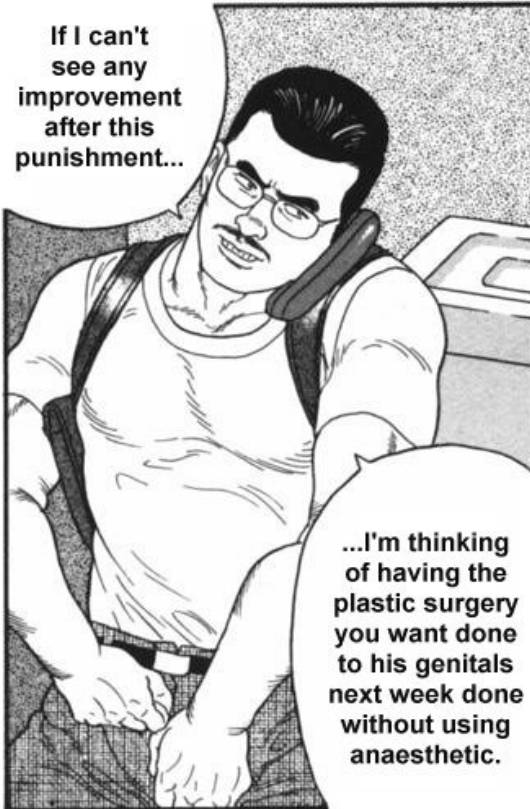

M...  
Mmph...  
Mmph...  
Mmph...

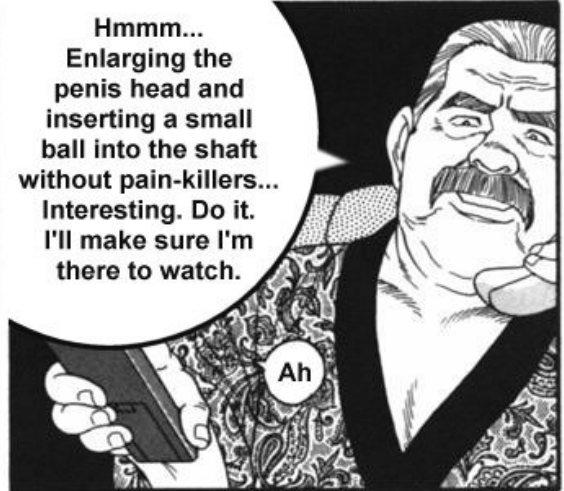

**GURGLE  
GURGLE  
GURGLE**

...but as punishment for rebellion, we connected him directly to the toilet two days ago.

If I can't see any improvement after this punishment...

...I'm thinking of having the plastic surgery you want done to his genitals next week done without using anaesthetic.

Hmmm... Enlarging the penis head and inserting a small ball into the shaft without pain-killers... Interesting. Do it. I'll make sure I'm there to watch.

Ah

EJECT!

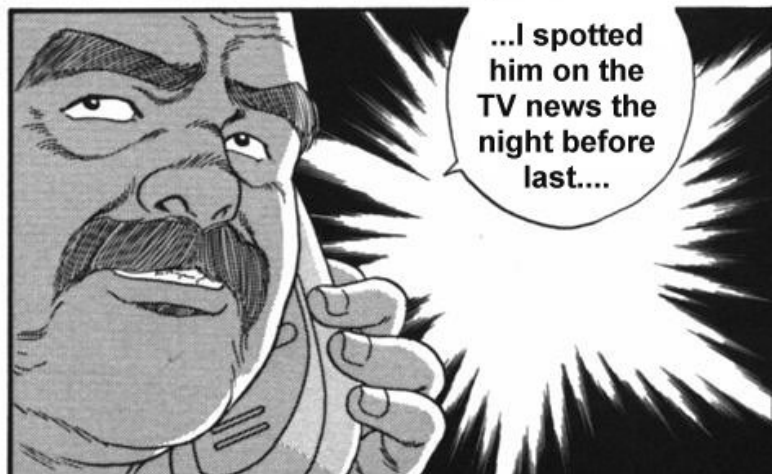

By the way; we need to start planning for the capture of our next trophy in the near future.

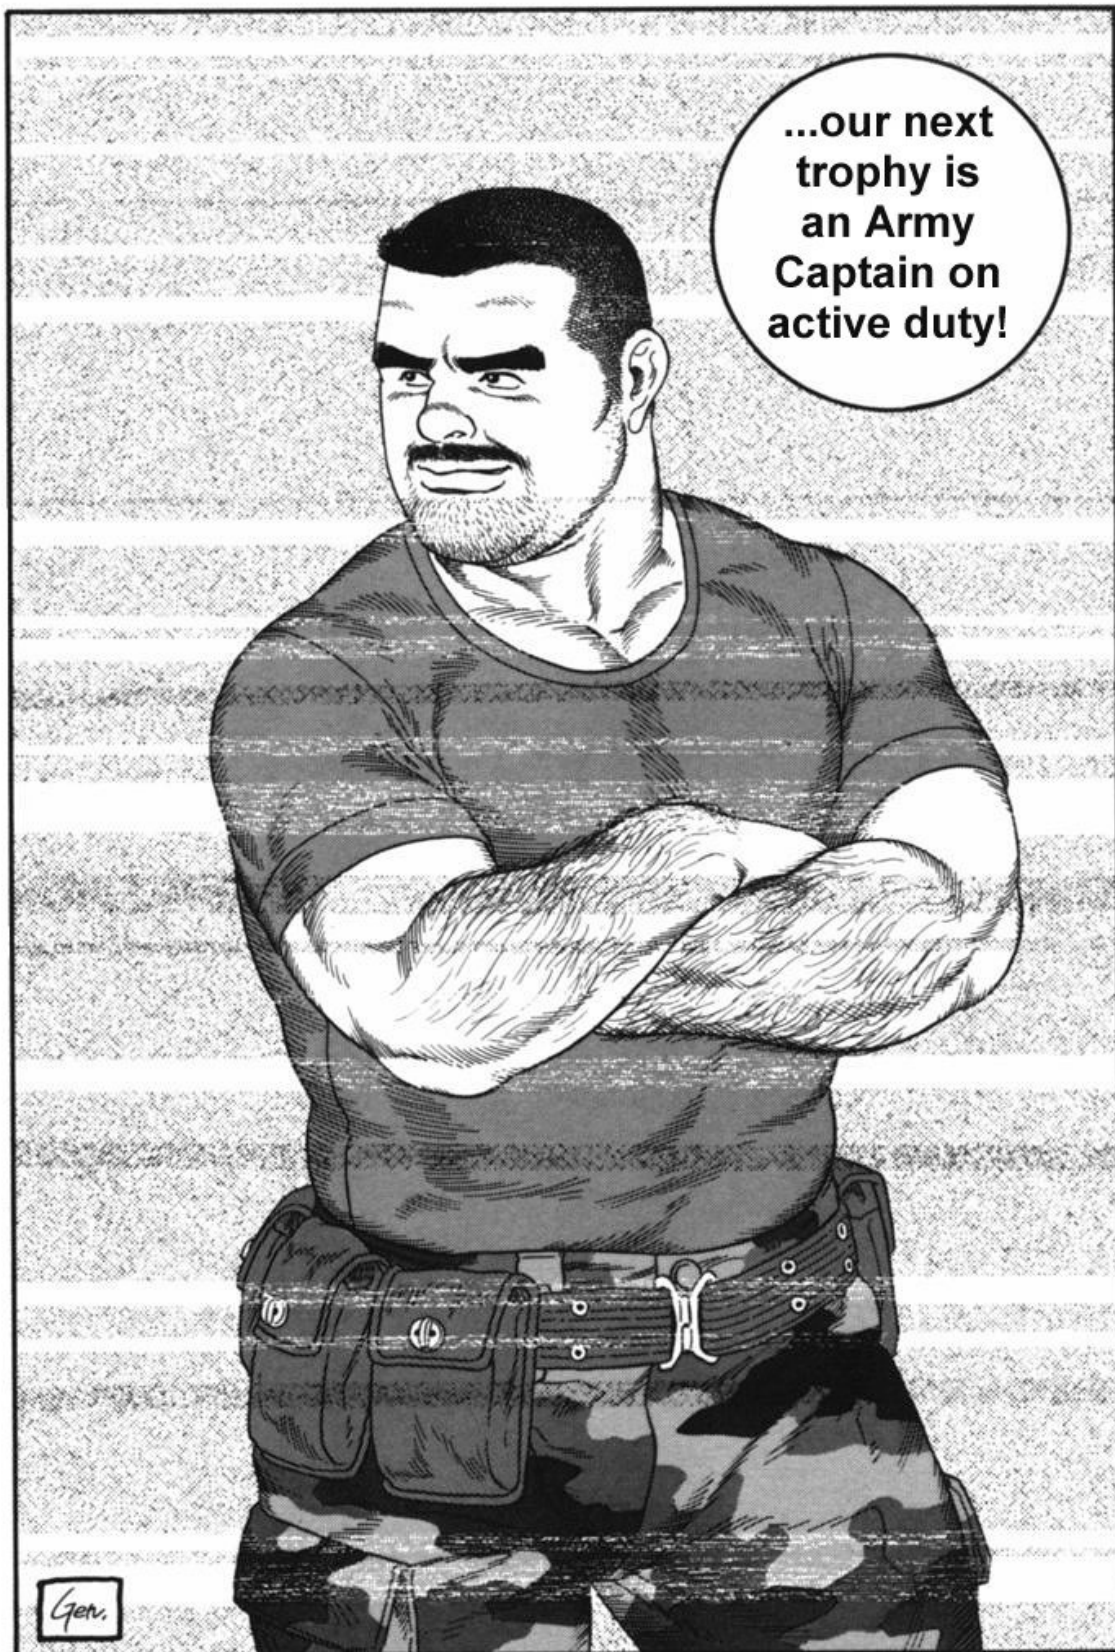

Uh, no.

whir whir whir whir

The next one is not a policeman...

...I spotted him on the TV news the night before last....

...our next trophy is an Army Captain on active duty!

Gen.

**THE END**
