

Correction – Super Heroes

1- Who is Peter Parker ?

Peter Parker is an incredible super hero.

He leads a double life. On the one hand, he is an ordinary teenager who lives with his aunt May. He has a crush on Mary Jane Watson and works as a photographer for a newspaper. He is very shy, lonely, and not very well-built. But on the other hand, he is the glorious Spider-man who fights against villains. He has formidable enemies such as the Green Goblin or Dr Octopus. Contrary to other super heroes like Superman, he is vulnerable to conventional weapons but he has awesome abilities.

He can shoot webs like a spider. He also has an intuitive sense for danger, a huge strength, and his most important ability is that he can stick to most surfaces. He obtained his abilities while he was attending a lecture with his class. A new species of spider came down from the ceiling and stopped on Peter's hand. After biting him, Peter became Spider-man. (*Juliette*)

2- Present, describe, and comment the cover page:

The document is the first page of a comic book. It represents Spider-man and the Vulture, one of his arch enemies. The scene may be taking place in New York City since we can see skyscrapers in the background. In the foreground, the two characters are fighting. Spider-man is holding Vulture's ankle. His enemy can't escape. Spider-man has a weakness: he can't fly whereas Vulture can. He has two big wings. I like this cover page because I believe Spider-man is going to win the fight against the villain. According to me, this picture is a good representation of justice. (*Charlène*)

3- Narrate the story from the first panels:

A new character arrives in the story. He is the Vulture and all the inhabitants of the city talk about him. He steals money and everything he can. People want to know more about the beast and journalists understand it: they look for a picture of this villain in order to publish it. Nobody can get pictures of him. Spider-man is the only one who can approach the Vulture. Spider-man's alter ego, Peter Parker, decides to fight and get photos so as to earn a lot of money. (*Aya*)
