

	<p>BUY LOCAL FOOD</p>
		
<p>SWITCH TO GREEN POWER</p>		<p>BUY FRESH FOOD NOT FROZEN</p>
		

1- First, **match** the symbols or captions to the corresponding number on the worksheet (*write the number under each picture*).

2- Then, put a **red cross** in the box for each picture or text if it is something **you shouldn't do** and a **green tick** if it is some **you should do**.

3- Finally, prepare an **oral report** about some **solutions** to global warming (what we should or shouldn't do).

Against global warming, say :

a- **what you have already done**

b- **what you do**

c- **what you will do** in the future.
