# Fausti Stephano Shotguns

## Magnificently hand-crafted Italian shotguns

Fausti®Stefano was founded in 1948 in Brescia, a city with a long and prestigious gun making tradition. Since its establishment Fausti®Stefano have given top priority to research, product development and selection of the best possible materials and can now be considered as the perfect compromise between advanced technology, sophisticated quality control systems and traditional craftsmanship.

### DEA Side-by-Side Shotguns

DEA features well-proportioned fences which flow into the action side profile almost naturally, a streamlined safety catch and a thin but still "austere" top lever. A small diamond covers the fore-end retaining screw and an elegantly shaped tip frames the fore-end release button. Features a robust Anson and Deeley boxlock mechanism for proven reliability.

DEA

Single trigger, automatic ejector, interchangeable chokes, English stock, and colour case. Featuring hand-engraved appointments and beautifully enhanced wood grain.

Superb attention to detail throughout - beautiful wood and meticulous patterning on the metal

- DEA1228 12GA. 28" Barrel,
- DEA2028 20GA. 28" Barrel,
- DEA2026 20GA. 26" Barrel,
- DEA2826 28GA 26" Barrel,  
Dedicated frame

### Elegant Extra Over-Under Shotguns

Side-plated over-and-under shotgun with cross-bolt. A good alternative for all those hunters who prefer over-and-under to side-by-side shotguns. Compared with the standard model, Elegant Extra features better action finishing (color case hardening) and an oil-polished stock in better quality walnut.

Elegant Extra

Single trigger, automatic ejector, interchangeable chokes, pistol grip, engraving with animals in gold and silver.

Spectacular engraving with a beautiful gold inlay - every curve is carefully sculpted

- EE1228 12GA. 28" Barrel
- EE1230 12GA. 30" Barrel
- EE2028 20GA. 28" Barrel
- EE2028T 20GA. 28" Barrel, Tortoise

### D780-14 NORINCO "870" PUMP SHOTGUN WITH FLASHLIGHT 14" BARREL

The Norinco D780-14 (aka. 'HP9-1') is the short-barreled version of the ever popular 'Remington 870' pattern pump action shotgun. Fitted with a 14" barrel, the D780-14 is a handy, compact utility gun whose forged and milled steel receiver, weatherproof synthetic stock. The Norinco D780 guns are compatible with a wide variety of 870 accessories such as stocks, magazine extensions, side saddles, and more!

D780-14 12ga. 3" Pump Action 14" Barrel, W/ Free Flashlight & Mount **SPECIAL.**

### NORINCO 1911A1C NORINCO 1911-A1

Norinco's M-1911A1 .45 is made true to the original: featuring forged steel construction for superior strength, chrome-lined barrel for longer bore life, and the 'no nonsense' parkerized finish.

NP1911A1C 4.25" barrel  
NP1911A1 5" barrel

## IMPERIAL DEFENCE M4-STYLE RIFLES

\*\*\*NEXT SHIPMENT OCTOBER 2009\*\*\*

### MG4A5 (14.5") and MG4A6 (10.5") Carbines

The IDS MG4A5 and MG4A6 are European made rifles. The barrel is made by the Precision Cold Forging process for greatly increased life and improved accuracy. Bore and chamber are hard chrome plated for extra life and resistance to corrosion. Parts interchangeability with the M16A2 exceeds 80%.

MG4A5 M4 Shorty Carbine .223 14.5" Barrel, 6 Position Telestock, Removable Carry Handle, Removable Flash Hider, 30 Round Magazine Plugged To 5 Rounds

No Scope  
Red Dot  
4x32Scope

**DESERT STRYKER CROSSBOW**

Includes complete stock, front adjustable fore grip, weaver rail and Bolt Sensor Safety (patented) are carried over from the original Stryker. Center Pivot technology provides less vibration, more stable cam travel (no leaning) and more energy to the arrow. Desert Stryker comes with accessory package that includes: multiple reticle red-dot 1x30 scope; four 425-grain matched bolts; padded, detachable sling; four-arrow quick release quiver, and quiver hip holster.

BT-DESTRY

**STRYKER CROSSBOW**

Shooting arrows at an incredible 405 fps, the Stryker crossbow has set a new archery benchmark for speed. There's an incredible amount of power too. The bow can deliver 155 foot-pounds of kinetic energy when shooting a 425-grain bolt at the 175-pound draw weight. The combination of an increased limb angle, wrapped split-limb design and binary cams makes this crossbow both quiet and energy efficient. Safety features include a bolt sensor that automatically resets the safety if a bolt isn't present, thus preventing a dry fire. The Stryker comes with a multi-reticle red-dot 1x30 scope, 4 matched Stryker Crossbow Bolts, a rugged hardshell carry case, a detachable sling, a hip quiver, and an extra string.

BT-STRY

062482 Camo Crossbow Case – Fits most compound crossbows

#### Q5878 The Pretty Boy and Pretty Girl Deluxe Decoys

Designed and tested in the field by the legendary hunters Harold Knight and David Hale in the Spring of 2005, the Pretty Boy decoy is the all-in-one turkey decoy system that is sure to enrage dominant gobblers and bring you the results you want. Included in the system is a full color, photographic reproduction fan for the Pretty Boy turkey decoy. For even more realism, follow David's step by step instructions on the included DVD to cure your own real turkey fan.

#### Q5850 Peep'n Tom Decoy

#### Q5855 Pretty Penny Hen Decoy

#### Q5860 Pepp'n Tom & Pretty Penny Combo

#### Q577 Promotional 1 Piece Shell Canada Goose Decoys

This goose decoy will give hunters a set of super-natural geese that will fool a flock of even the most wary geese without breaking the hunter's budget. This promotional series makes that possible. They come equipped with easy-set spikes so hunters can set their flock quickly. Packed 12 decoys per carton (8 feeding / 4 sentry)

#### Q5560 2 Piece Shell Canada Goose Decoys 32 Inch

The greatest advantage of the Carry Lite Canada goose decoys is their cost-efficiency. Canadian geese are high-flyers, so they are more likely to notice and dip down to larger goose decoy spreads. With such a low price, you can afford to build a great spread. And at 32 inches, these larger goose decoys are easier for the Canadian geese to spot. Another advantage is their ease of assembly and placement. With such simple setup, you're sure to have more hunting time and increase your chances of a bigger catch.

Packed 6 decoys per carton (1 sentry / 4 feeding / 1 sleeping)

#### Q5542 2 Piece Shell Canada Goose Decoys 42 Inch

The largest of Carry-Lite's arsenal of decoys, our Super Magnums are visible to flying honkers at great distances. Packable in two pieces, the Canada decoy has white molded plastic cheek patches like its younger brothers in the 32" series. Packed 6 decoys per carton (1 sentry / 4 feeding / 1 sleeping)
