

# Olivier Fiquet

French Characters designer & Cartoonist

Winter 1965: Seized of one irrepressible creative impulse, little Oliver undertakes to redecorate the family bathroom.,  
Under the eyes of his parents, astounded by this concentration of talent.

The years pass ... Driven by his thirst for knowledge, It explores all schools in his region,  
and befriends radiators the bottom of the class...

1985: He is a man now...

As a young spirited horse in the great grassland of life; he published his first drawings.  
So begins an incredible human adventure..
