

Uplink Cheats

To enter cheat mode

Create a new agent with the name TooManySecrets (case-sensitive) and any desired password. Once the game begins, press [F1] to activate the cheat menu.

Cheat ID: 22564.

👍 23% success rate. Endorsed by 37 of 155 readers.

Game secrets

Introversion IP: "128.128.128.128"

Protovision game server password: "JOSHUA"

Gamebible password: "toomanysecrets?"

Uplink Test Machine password: "rosebud"

Cheat ID: 22565.

👍 46% success rate. Endorsed by 39 of 83 readers.

Game developers

Get disavowed, then quit the game. Log back into the game and when the score screen appears, move the pointer to the upper-left corner. A symbol will appear. Click on the symbol.

Cheat ID: 22566.

👍 46% success rate. Endorsed by 33 of 71 readers.

Hidden message

Open up the rear shell of the game's jewel case to find a hidden message on a white slip of paper.

Cheat ID: 22567.

👍 43% success rate. Endorsed by 28 of 64 readers.

Mole Mission

Hack the admin account of the Uplink Internal Service System. Once there, download the agent lists (you cannot get #4). You will soon be emailed about selling the list.

Cheat ID: 22568.

👍 44% success rate. Endorsed by 23 of 52 readers.
