

**SB08MED Parallel Workshops Programme**  
( languages : french, english)  
**Programme des Ateliers parallèles SB08MED**  
(langues : français, anglais)

---

Friday 11 January 2008  
Vendredi 11 Janvier 2008

---

17h30 - 19h10

---

**WORKSHOP 1** : Concepts, policies and strategies for a low-carbon city  
**ATELIER 1** : Concepts, politiques et stratégies pour une ville sobre en carbone  
Chairman, Président : Yasser AREF ( EG )

---

17h30-17h50 Katsibardis Konstantinos ( EL)  
"Adapting to climate change: the evolving EU strategy"

17h50-18h10 Jones Phil (UK)  
"Strategies for a low carbon urban built environment: from buildings to cities"

18h10-18h30 Salat Serge (FR)  
The Mediterranean urban civilisation: a lesson of sustainability for the world.  
"A comparative analysis of Mediterranean and world cities ecological, energy and carbon footprints"

18h30- 18h50 Tzanakaki Evi ( EL)  
"Planning, initiating and following-up local actions for low-carbon, sustainable energy cities: the 3-nity project applied in 21 municipalities in the Athens area"

18h50-19h10 Bellone Andriano ( IT )  
"Regional Strategies for the development of sustainable building"

---

Friday 11 January 2008  
Vendredi 11 Janvier 2008

---

17h30 - 19h10

---

**WORKSHOP 2** : Concepts, initiatives and tools for a low-carbon city  
**ATELIER 2** : Concepts, initiatives et outils pour une ville sobre en carbone  
Chairman, Président : Christopher Allen( US )

---

17h30-17h50 Yehuda Olander (IL)  
"Israeli Initiative for a sustainable Built Environment"

17h50-18h10 Kalogianidou Vasso (EL)  
"Pour des villes méditerranéennes à bas directions énergétiques et à haut standards d'interculturalité"

18h10-18h30 Gonzalez Diaz Maria Jesus, Garcia Navarro Justo, Van Dorst Machiel (ES, NL)  
"The impossible myth of the vernacular city as a paradigm for optimising resources"

18h30-18h50 Anna Kefala ( UK)

"The potential of implementing a Masdar or similar initiative in the Mediterranean region in the efforts of achieving a low carbon urban environment "

18h50- 19h10 Konstantatos Charis, Le Bel Jérôme (EL, FR)

"Le Projet MED Eco-quartiers - INTERREG III B- MEDOCC "

---

Friday 11 January 2008

Vendredi 11 Janvier 2008

---

17h30 - 19h30

---

WORKSHOP 3 : Urban development and Housing facing climate change

ATELIER 3 : Urbanisme et habitat en face des changements climatiques

Chairman, Président : Yannis Trypanagnostopoulos ( EL )

---

17h30-17h50 Dominique Dias ( FR)

"Mutabilité du Périurbain: le modèle pavillonnaire, face a la Crise Energétique"

17h50-18h10 Lusardi Alain (IT)

"Sustainable Housing in Europe"

18h10- 18h30 Allen Christopher (US)

"Green Workforce Housing: Sustainable Urban Development and Revitalization through Low-carbon Housing"

18h30-18h50 Aref Yasser (EG)

"Urban Natural Forms : Alexandria's Lake Mariout, prospects for sustainability or scenarios of deterioration"

18h50-19h10 Sinou M. , Kyvelou S.(EL)

"Greening the Hellenic construction code : Realities and perspectives"

19h10-19h30 Kotsi Ageliki (EL)

"Ville-Corps et environnement"

---

Friday 11 January 2008

Vendredi 11 Janvier 2008

---

17h30 - 19h30

---

WORKSHOP 4 : City, climate and urban design : the impact of urban form

ATELIER 4 : Ville, climat et design urbain : l'impact de la forme urbaine

Chairman, Président : Michel SABARD( FR )

---

17h30-17h50 Lau S. , Wang J. , Tai J. , Wu X.L. ( China )

"The study of Heat Island, Built Form and Fabric in a Densely Built Urban Environment- Compact Chinese Cities: Hong Kong and Guangzhou"

17h50-18h10 Milakis Dimitris ( EL)

"Travel behaviour as function of urban form. Evidences from Athens"

18h10-18h30 Teli Despoina, Aksarli Kleo (EL)

"The contribution of bioclimatic design of urban open spaces to

the improvement of urban microclimate: redesigning of an open urban space in Thessaloniki”

18h30- 18h50 Rizhopoulou S., Meletiou-Christou M-S., Nassios K., (EL)

“A study of the growth rate of Mediterranean plants exposed to the air pollution of the city of Athens”

18h50-19h10 Kontorigas D. Theodore (EL)

“Sustainable architectural lighting design and the cities at night”

19h10-19h30 Profiroiu Marius, Normand P-F. ( RO)

“ Risques naturels- Impact de nouvelles réglementations sur les désordres de nature séismique”

---

Saturday 12 January 2008

Samedi 12 janvier 2008

---

17h30 - 19h50

---

**WORKSHOP 5 : Innovation for a low-carbon built environment**

**ATELIER 5 : Innovation pour un environnement bâti, sobre en carbone**

Chairman, Président : Justo Garcia Navarro ( ES )

---

17h30-17h50 : Kitsutaka Y., Hishino H., Kobayashi K., Sasaki T. (JP)

“Façade Design for Activation Renewal of Buildings Addressing Various Thermal Environments in Japan”

17h50-18h10 : Flourentzou FI., Roulet Yves ( CH)

“Est-ce la société de 2000 possible pour les bâtiments scolaires de l'état de Vaud”

18h10-18h30 : Drakopoulos Panayiotis (EL)

“Thermal Insulation Façade Systems: Optimal Energy Savings, Better Investment Practices”

18h30- 18h50 : Dunant Erich, Flourentzou FI. ( CH )

“Centre médical des ELangettes: une preuve que les techniques sobres peuvent mener à des bâtiments de haut standing a basse consommation”

18h50-19h10 : Trypanagnostopoulos Yannis, Trypanagnostopoulou Maria(EL)

“Building integrated solar collectors and photovoltaics, an energy solution with aesthetic and environmental benefits”

19h10-19h30 : Doulami Marina, Dimitrakopoulos Dimitrios (EL)

“ “Ecodomima"- A holistic sustainable house”

19h30-19h50 : Harijaona Zaratiana (FR)

“Le bois en revêtement intérieur des bâtiments”

---

Saturday 12 January 2008  
Samedi 12 janvier 2008

---

17h30 - 19h10

---

WORKSHOP 6 : Certification, Management, Governance and Financial issues for a low-carbon urban environment

ATELIER 6 : Certification, Gestion, Gouvernance et mécanismes financiers pour un environnement urbain à bas-carbone

Chairman, Président : Maria Sinou( EL )

---

17h30-17h50 : Castagna Gennaro, Barrois Serge ( FR)

"Pôle administratif des Mureaux, Première opération HQE certifié: un an après..."

17h50-18h10 : Ulterino Matthew J., Droege Peter ( UK )

"Strategies for reducing greenhouse gas emissions in urban infrastructure provision and urban management"

18h10-18h30: Marava Nektaria, Kokkoni Georgia, Kyvelou Stella( EL)

"Urban infrastructure environmental management practices through PPPs "

18h30-18h50: Mercedes del Río Merino, Justo García Navarro (ES)

"Improvement of construction demolition and waste management"

18h50-19h10 Crivat Emmanuel, Gheorghe Marian (FR,UK)

" L'ingénierie software pour des stratégies de développement urbain durable"
