# Startling New Evidence That The 'Swine Flu' Pandemic Is Man-Made

## Novartis Patent Detailed And Mass Murder Charged

By A. True Ott, PhD, ND

Murder suspects are either convicted or acquitted at trial based on the prosecution's presentation of EV which usually hinges on MOTIVE, OPPORTUNITY, and TIME-LINES combined with physical documents. T such hard evidence, detectives and/or federal agents often spend months following leads and inte witnesses. In the trial phase, re-creating the sequence of events is essential. I submit this paper will prov than enough hard evidence to at least result in a series of criminal indictments of charges of MASS MURC CONSPIRACY TO COMMIT WORLD GENOCIDE against Novartis Pharmaceutical principals and agents and o

### PRIMARY MOTIVE

The Primary Motive behind this alleged criminal activity is also the primary cause of most murders in tl today, and that motivation is simply: BIG MONEY. Billions of Dollars of windfall profits from government c worldwide, as a matter of fact.

I will provide evidence that will show that Novartis Pharmaceuticals of Basel, Switzerland has conspired with "scientists" at the U.S. Army Institute of Pathology Ft. Detrick, Maryland, to create a "novel" strain of wei "influenza" virus by means of "reverse engineering" the deadly 1918 killer strain which strain was malicio surreptitiously released upon the world in March and April of 2009 for the primary purpose of cri panic-stricken world-wide demand for Novartis vaccine material.

The evidence will also clearly show that the Novartis vaccine material is in reality designed to facilitate the mutation of the pandemic into more lethal waves of increasingly virulent and deadly disease, rather than t and limit the existing outbreak. The evidence will show that Novartis is willingly being used, (and e well-paid) to facilitate the edicts of the global elite's Club of Rome; which edicts clearly call for a mas sudden depopulation of certain segments of the earth's human population.

### PRIMARY EVIDENCE

To realize such windfall profits on an engineered, global flu pandemic, detailed covert planning must take course.

Patents protecting the proprietary flu vaccine must be applied for and secured before the pandemic released in order to minimize the competition and maximize the profit potentials. In a biological attac nature, timing is extremely critical.

Indeed, the evidence is clear Novartis applied for just such a patent on Nov. 4, 2005, and the U.S. Pate accepted this application and granted US 20090047353A1 for a "Split Influenza Vaccine with Adjuv February 19, 2009. (See bottom of page).

With this patent now secured, the conspirators were now free to create the demand for their "novel" split influenza vaccine by releasing a "novel" split-influenza (combining multiple viruses) pandemic virus from a weak test-tube into unsuspecting human

<http://www.washingtonpost.com/wp-dyn/content/article/2009/06/17/AR2009061703271.html>

The so-called "Swine Flu" grabbing headlines today is actually a recombinant, or "split-influenza" virus consisting of an A-strain Bird-Flu (H5N1), Swine Flu (H1N1) and multiple strains of human flu (H3N2). Likewise, the 1918 flu that killed untold millions of people was a recombinant or "split-influenza" virus composed of Bird flu, Swine flu and multiple strains of human flu.

## CRIMINAL TIMELINE

The criminal timeline begins in 1997, when Dr. Jeffrey Taubenberger assembled a team of genetic microbiologists to analyze the genome structure, and then to REPRODUCE (i.e. reverse engineer) what is one of the most deadly viral structures the world has ever been cursed with the 1918 killer flu virus. According to numerous published stories and reports, Taubenberger and his team utilized super-computers to reconstruct the complex RNA and DNA structures of the killer virus, then utilized human plasmids to successfully recreate the 1918 killer. Taubenberger completed his work in early 2005, then immediately left the employ of the U.S. Army to take a much more lucrative position with the National Institutes of Health. His new focus was to create a VACCINE against the very same 1918 killer flu that he and his team had, just months earlier, successfully "reverse engineered" and created.

This researcher is very confident that a focused criminal investigation would likely reveal prima facie evidence that Taubenberger was in reality working for Novartis while employed with the N.I.H. and was quite likely the author of Novartis' Nov. 6, 2005 "provisional" patent application. On page 2, paragraph 32 of the publication we read, quote: "The influenza virus [that the 'invention vaccine' is designed to protect against] may be a reassortant strain, and may have been obtained by reverse genetics techniques. Reverse genetics techniques allow influenza viruses with desired genome segments to be prepared in vitro using plasmids." The remaining paragraph then goes into very specific detail as to the actual mechanics of how the pandemic virus was created by Taubenberger's Ft. Detrick team. At the very least, the author of the patent application had studied Taubenberger's various published reports on his work at Detrick, for the wording and science is verbatim.

Furthermore, this paragraph is even more damning by the words "may have been obtained". Who "obtained" the virus and for what reason was it "obtained"? Keep in mind the CDC and HHS would have Americans believe a pandemic viral outbreak is totally a "natural" occurrence if so then how could Novartis have such an in advance knowledge to the point of developing a vaccine with such absolutely PERFECT TIMING???

## WHO EXACTLY IS "NOVARTIS"??

Novartis International AG is simply the world's largest, multi-national pharmaceutical company with over \$50 billion USD revenue generated in 2008. Its headquarters is located in Basel, Switzerland, home of the vaunted "Swiss Guards" who provide all security measures for the Vatican and the Club of Rome. The company logo symbolizes the "eternal flame" of the Illuminati "enlightened ones". Dig into Novartis International AG's long history, and you will find that it began as a component of the infamous I.G. Farben combine, which in turn was primarily responsible for the rise of Adolph Hitler and the German/Austrian Third Reich.

Dig a bit deeper and you find that Novartis also wholly owns a company called Sandoz which was the inventor of LSD and other strong hallucinogenic "truth" drugs, and was the supplier of LSD to the CIA allowing them to reach new heights with their covert "MK ULTRA" mind control experiments. Documents released to U.S. Congressional investigators in 1977 show that Sandoz Labs had arranged for certain Nazi scientists to gain new identities at Dulles' CIA at the conclusion of WWII. This was accomplished under a secret extraction program called "Operation Paper Clip".

The address listed on the Novartis Patent applications is a P.O. Box in Emeryville, California. Up until the summer of 2005, this Emeryville California address belonged to Chiron Inc. the world's second-largest INFLUENZA VACCINE MANUFACTURER. Chiron was doing very well, with reported sales of \$357 million in fiscal 2002. Chiron's sales nearly doubled, peaking at a whopping \$678 million in 2003 and it was mostly due to the marketing and sale of FLU VACCINE CONTRACTS to the federal government. Novartis, which owned much of Chiron's stock, was pleased, until disaster struck in 2004 --- the entire year's stock of flu vaccine was found to be contaminated and was condemned.

Stock values plummeted on the news. With the stock at a historic low, Novartis quickly purchased the remaining Chiron's stock and began immediately to work on the massive "novel pandemic flu" vaccine that they knew would soon have worldwide demand especially if they controlled the exclusive patent they could "corner the pandemic flu vaccine market"!!

#### OTHER CRIMINAL ACTIVITIES

I would submit that killing tens of thousands of innocent humans via the systemic creation of a "pandemic" order to make billions of dollars is vile enough, but there is also evidence that there is an even more heinous agenda at work here, and it is spelled GENOCIDE.

It is no mystery that Adolph Hitler advocated the elevation of a Nordic "Master Race" that would rule the world. The "New Order of the Ages" called the "Third Reich". Sadly, not all of the EUGENIC/GENOCIDAL National Socialists were executed at Nuremberg.

In reality, the elite financiers that actually dictated the agenda to Hitler, merely went underground, willing to wait their time until their godless agenda to liquidate BILLIONS of people could be successfully implemented.

The evidence that the Novartis-controlled "Pandemic Vaccine" may well be a tool of mass genocide, is actually overwhelming.

At this point, some readers may scoff and ask: "Why would any company want to kill off their customers?" The answer is that these "customers" control large blocks of assets and equity. As Kissinger's "NSSM-200" outlines, the "spoils" of genocide include controlling large tracts of land and mineral assets. This is the second course, to their warped dream of creating a Utopian World Order with only 500 million "worthy" humans allowed to share in it.

#### WHAT'S THE EVIDENCE?

While George H.W. Bush was busy saving the world from the evil dictator Saddam Hussein in 1991, pursuing his U.N. speech to create a "new world order" an agenda for an "Initiative for Eco-92 Earth Charter" elitist happened to fall into honest, Christian hands. This agenda basically reiterated the genocide outlined in Kissinger's infamous NSSM-200 report of 1974, and called for "the immediate reduction of world population." The entire report can be downloaded at:

My extensive research shows that by 1992, the massive death rate of AIDS had simply not materialized to the Elite's satisfaction, and a more efficient mass killer had to be engineered in order to fulfill the edicts of the "Georgia Guidestones".

Evidence shows that like the 2009 "Novel" Flu Virus the HIV virus was also engineered and manufactured in labs at Ft. Detrick.

In 1969, during a House Appropriations Committee hearing, the Defense Department's Biological Warfare division at Ft. Detrick requested funds to develop, through complex gene-splicing (i.e. genetic engineering) a "novel" new disease that would both be resistant to, and break down a victim's immune system. The Congressional Record reads:

"Within the next 5 to 10 years it would probably be possible to make a new infective micro-organism which differs in certain important respects from any known disease-causing organisms. Most important of these differences might be refractory to the immunological and therapeutic processes upon which we depend to maintain relative freedom from infectious diseases."

The funds for this "Dr. Strangelove" project were somehow approved. AIDS "magically" appeared within the requested time frame, and of course, just happens to exhibit the exact characteristics specified by the Ft. Detrick scientists.

Three years later, in 1972, the fledgling World Health Organization (WHO) published a very similar proposal submitted to the U.S. House Appropriations Committee in 1969. The WHO proposed that: "An attempt should be made to ascertain whether viruses can in fact exert selective effects on immune function, e.g., by ...affecting the ability of the immune system to respond to foreign antigens."

cell function as opposed to B cell function. The possibility should also be looked into that the immune response to the virus itself may be impaired if the infecting virus damages more or less selectively the immune cells responsive to the viral antigens." (Bulletin of the W.H.O., vol. 47, p 257- 274.) This is a "textbook" clinical descriptive function of the HIV/AIDS virus.

The W.H.O. shortly thereafter begins a massive "smallpox vaccination" program in Africa in 1975. Within two millions of smallpox vaccines are provided by Novartis et. al, under U.N.I.C.E.F. funding. A decade later determined by independent journalists in the U.K. that the incidence of AIDS infections' MAPPED AND G EPICENTERS in Africa coincided exactly with the locations of the W.H.O. smallpox vaccination program of the mid-1970's (Source, The London Times, May 11, 1987). Some 14,000 Haitians then on UN 'humanitarian missions' to Central Africa were also vaccinated in this campaign, and soon contracted HIV. Personnel conducting the vaccinations of the Haitians maintain they had been completely unaware that the vaccine was anything other than a routine shot.

In 1987, Dr. Hilleman, head of all vaccine production of Merck Pharmaceuticals stunned the world with his admissions that the mass vaccination campaigns of the 1950s and '60s likely caused thousands of cancers each year. This was due to the presence of a cancer-causing virus that contaminated the first polio vaccine according to Dr. Hilleman. Known as SV40, the virus originated from dead monkeys whose kidney cells were used to culture the first Salk vaccines. Doctors estimate that the virus was injected into tens of millions during vaccination campaigns, including several million in Canada, before being detected and screened out in 1961. Those born between 1941 and 1961 are thought to be most at risk of having been infected with SV40, estimated to have a 300% greater chance of developing cancer. According to Hilleman MERCK KNOWS VACCINES WERE INFECTED WITH SV40, but distributed them anyway.

Furthermore, research doctors in New Orleans reported in 1963 that a percentage of the Salk polio vaccine was found to have attenuated, (live) viruses, which actually CAUSED tens of thousands of polio cases during the 1950's.

Following the successful liberation of Kuwait in Operation Desert Storm, hundreds of thousands of U.S. American troops are suddenly stricken with a wide variety of auto-immune disorders that doctors named Gulf War Syndrome, (GWS). After a decade of medical investigation, the culprit is finally determined to be an ingredient in the anthrax vaccinations mandatorily given to the troops. This offending "adjuvant" is a synthetic known as squalene aka, oil-in-water adjuvant. Writer and Gulf War correspondent Gary Matsumoto documents the entire, tragic saga in his seminal book, "Vaccine-A". See [www.vaccine-a.com](http://www.vaccine-a.com).

Understanding these historical facts is very important for this reason: Those that ignore history are do repeat it. This is doubly true when it comes to blindly accepting a "novel" mass vaccination for a weaponized "reverse engineered" virus.

The historical record is very clear attenuated, live viruses in vaccines SPREAD the disease very effectively combined with SQUALENE ADJUVANT the virus becomes many times more potent and lethal. When CHILDREN IN SCHOOLS, millions of "typhoid Matts and Marys" will be spreading the disease exponentially.

Chillingly, the Novartis patent for the "novel pandemic flu" declares that "African green monkey kidney cells" were used for the "viral growth substrate" i.e. the carrier medium. (Page 3, paragraph 0037) We also see that "oil-in-water" squalene-based adjuvants will also be included (Page 0098) but most incredible of all, because this is a "recombinant" and "novel" split vaccine, it is deemed necessary to include fragments of attenuated viruses (i.e. live pathogens) in the vaccine medium.

On July 13, 2009, the W.H.O. sanctioned this lunacy by declaring: "In view of the anticipated limited availability at global level and the potential need to protect against "drifted" strains of virus, it is recommended promoting production and use of vaccines such as those that are formulated with oil-in-water adjuvants attenuated influenza vaccines is important."  
[http://www.who.int/csr/disease/swineflu/notes/h1n1\\_vaccine\\_20090713/en/index.html](http://www.who.int/csr/disease/swineflu/notes/h1n1_vaccine_20090713/en/index.html)

In conclusion and summation, it should be evident that the "2009 Swine Flu" could just as easily be called "Bird Flu" because it is as much H5N1 (bird flu) as H1N1 (pig flu.) Novartis knew this in 2005 when it received hundreds of millions of dollars from Mike Leavitt's HHS to develop and patent the "bird flu" vaccine. I charge that Novartis had advance knowledge of this "combination" because they had been in consultation with Jeffrey Taubenberger for years.

It is further evident that Novartis' patent provides for "influenza vaccine kits" to be provided to pharmaceutical manufacturers as well. These "kits" are the basic raw ingredients needed for the other companies to build their own vaccines under their own label.

In 2005, this "jobbing" of separate ingredients by multiple companies would never have been allowed because of the legal liability issues involved. However, in 2009, all liabilities for death and disability from faulty or contaminated vaccines have been stripped away. Any wrongful death or disability lawsuits against Novartis or any other company will today be summarily dismissed.

Novartis today has carte blanche blanket immunity for their actions and any large pharmaceutical company that desires, can join them at the feeding troughs just by paying millions for their "kits".

If this isn't the pinnacle of criminality, then I don't know what is.

Novartis, if this "novel split vaccine" is so wonderful and safe, why do you require such blanket protection from litigation?

Jeff -

As I have written, the smoking gun is found in the pages of this attached patent below.

Novartis admits that their "invented" vaccine will be effective because of **ADVANCED KNOWLEDGE CONCERNING THE ORIGINS OF THE PANDEMIC FLU STRAIN THAT WAS "REVERSED ENGINEERED" WHICH WAS OBSERVED**. Clearly the pandemic virus was not an act of nature.

This is prima facie evidence of conspiracy to commit mass murder to get gain, is it not?
