

Our day in Jersey

We went to Jersey on 14th June. In the morning we started very early so it was difficult to get up ! The boat was very big and comfortable. In Jersey, in the morning we took a very good breakfast with toast, jam, orange juice and hot chocolate.

Then, we went to the town centre of St Hélier and we interviewed the people to help us answer the questions (words, our way and so on...). The people from Jersey were very nice !

Then we visited a very beautiful market and we bought souvenirs. After we had a picnic in Howard Davis park. The seagulls wanted to eat our picnic ! Then we went to the beach and we went to Queen Street and King Street to interview people and search information on the shops.

Finally we did shopping. We bought a lot of souvenirs, we were very happy ! We played on the beach because the weather was very sunny ! We had a great time !!
