We went to Jersey on Tuesday 18th June.

First , We took the boat «Condor Ferries »

In Saint Helier, we asked the way to go to some monuments :
we went to Liberation Square and we saw a fountain in « Central
market ».

Then, we ate in a big park , Howard Davis Park.
In the afternoon, we visited two shopping streets ,
Queen street and King street .
We interviewed passers-by .

Finally , we went shopping and went to the
beach. We went to the harbor and took the boat .
We came back to Argentré-du-Plessis at 11:00
