

## OUR DAY IN JERSEY

Last week, we went to Jersey on a school trip. On 12<sup>th</sup> June, we took a boat (Condor Ferries) in St Malo. We went on the deck of the boat. It was super:

We visited Elizabeth Castle, the landscape was beautiful:

We ate English cakes, they were delicious:

We went shopping in Queen Street and King Street. There were so many shops ! We bought a tee-shirt, a necklace and a key-chain. They were cheap ! This day was fantastic !
