Georgia Power Community & Economic Development

[www.selectgeorgia.net](http://www.selectgeorgia.net)

If you're looking for the best place to locate your business, discover what many executives around the world already know: The right place to start is the Georgia Resource Center.

The Georgia Resource Center is Georgia Power's state-of-the-art site selection meeting facility:

- Conveniently co-located with state agencies and other economic development partners in Midtown Atlanta
- Visitors hosted by Georgia Power project managers, as well as state and local officials
- Total confidentiality and in a controlled, private environment
- Cutting-edge interactive technologies show all available sites and buildings in Georgia
- Videos presentations in German, Korean, Spanish, Japanese, Chinese, and English
- In-depth community information
- Demographics with detailed facts and figures
- Aerial photography
- Building images
- Interactive maps
- Site visit coordination to communities in Georgia
- All services free of charge

We invite you to call or email us to arrange a visit to the Georgia Resource Center.

## Location

The Georgia Resource Center is located in Technology Square in Midtown Atlanta, along with the Georgia Department of Economic Development, the Technical College System of Georgia's Quick Start program, the Board of Regents' economic development offices, the Georgia Electronic Design Center, Georgia Tech's Enterprise Innovation Institute and the Advanced Technology Development Center. Other essential government offices are nearby, as are consulates and trade offices, research centers, major banks, legal firms, the Georgia Tech Hotel and Conference Center and restaurants. And it's just a short distance from Atlanta's Hartsfield-Jackson International Airport by taxi or rapid rail system.

### **I-85 Southbound**

Exit I-85 at 17th Street (Exit 84) and turn left, taking the 17th Street Bridge to Spring Street and continue south. Cross over 10th Street, go through two traffic lights, and turn right just before LA Fitness. Follow the driveway into the parking deck. There is a bridge from the parking deck to the Centergy One Building. At the bottom of the bridge, turn left and walk straight ahead to the GRC.

### **I-75 Southbound**

Exit I-75 at Northside Drive (Exit 252) and turn right. Continue southbound and turn left onto 10th Street. Follow 10th Street to Spring Street and turn right. Go through two traffic lights, and turn right just before LA Fitness. Follow the driveway into the parking deck. There is a bridge from the parking deck to the Centergy One Building. At the bottom of the bridge, turn left and walk straight ahead to the GRC.

### **Coming from the South Side of Atlanta (Northbound)**

From I-75/85 North, take Exit 250, the 14th/10th Street exit. Turn right onto 10th Street. After one block, turn right onto Spring Street. Go through two traffic lights, and turn right just before LA Fitness. Follow the driveway into the parking deck. There is a bridge from the parking deck to the Centergy One Building. At the bottom of the bridge, turn left and walk straight ahead to the GRC.
