### Welcome to Mayim Chayim..... ..... Living Waters

Our aim is to present biblical truth, giving due consideration to its Hebrew roots as opposed to the Greek eye glass through which it is normally viewed.

The Bible, both 'old' and 'new' sections, majors on the establishment of a new world order, to be born out of the ashes of the present age in which we live.

All history, as well as that which is being experienced in the now, bears witness to our total ineptitude to bring shalom (peace and every good result) to the world.

We humans need changing from that which we are now to something more fitting, to bring healing to ourselves and to the planet as a whole.

Our article "***The State Of Israel!***" focuses on the Jewish State's importance in the transition to this new order of things.  
All other articles on our list either directly or indirectly address this issue.

### 'THE ESSENCE OF BELIEF'

I guess that before you get into these articles, an illustration re. what God has done may help. Today, within much of the Christian world, one is likely to be led to believe that God provided a 'New' Salvation Arrangement, to be found within the 'New Testament' Gospels. And therefore, all that had gone before with the Israelites of old, has been put aside - Including the Law given them.

This is Not the case and I would illustrate it this way. God's revelation regarding Salvation, can be likened to a house. Jewish people are living on the Ground Floor, for they have, and some at least take seriously, the Foundational 'stuff' - The Law - [Torah, God's written-out Value System and Blueprint for Living]. Christians *live* on the upper floor. They have the knowledge of - Forgiveness of Sins! Both groups need what the other has, but few of each 'group' possess both treasures!

The Book of *Ruth*, speaks of one who became a Kinsman-Redeemer. Messiah is one such, *made* like us. The Jewish people need to know that forgiveness, [*Yeshua/Salvation*] has been provided for them and experience the reality of this. If they do so, the Whole House is theirs; whereas Christians need to go *downstairs* to where the Requirements of God are found within the 'Old Testament!'

For, '*Jesus*' [*Yeshua/Salvation*], didn't instruct His followers to go around getting people forgiven so that they could go and 'retire' in Heaven. As Heaven, in the form of "*Immanuel!*" [God - with us]

### Questions, Answers & Comments.....

#### Shalom

We now have the opportunity to illustrate further who we are and our purpose, by putting before our readers some comments received, questions asked of us, and answers given. The answers given may also relate to similar questions and that correspondence. Some editing has been done.

You will see a fuller 'Summation of Belief' at the end of the questions etc. But to get us started, a brief statement.

The Almighty God has illustrated His plan of Salvation for us:

1. First a man is circumcised! - Abraham;
2. Then Abraham's physical descendants are, as a sign of their required dedication to Himself;
3. After *That* 'Day of Pentecost', the process of circumcising their hearts began, with later Gentile inclusion into the Faith; *(So we all have the opportunity to make this matter Personal.)*
4. One Day - The renewed and recombined nation of Israel will ALL experience this Salvation;
5. Isaiah 49: 5-6. - Then, To the Ends of the Earth!
