Idea from Monaco,
where they for 9 years have had a charity race.
First 100.000 Euro will go to
Queen Silvias Hospital for Children.
Second 100.000 Euro to Handicapped youth.
Third, forth.. If so – it will be more needed to find.

In Monaco came last November 4.500 people = 130.000 Euro.

In Gothenburg perhaps 15.000 walking, jogging, running. 400.000 Euro?

More information will be given on

www.marathon.se/kgnystrom/

PS.

In Monaco they managed to bring in 1 Euro/kilometre.

Thanks to starting fee (10 Euro – 110 for the 8D runners)

+ donations and sponsors.

I managed 523K = 523 Euro during the official 8D race.
