

Monday, March 23rd

It's the most amazing thing I've ever seen.

The boy is in Australia. He is Enthusiastic. Sydney is **the coolest** city he **has ever seen**. Uluru is **the most beautiful** sight he **has ever seen**. The aborigenes have the most unusual way of painting with dots.

Je sais exprimer le fait que que j'ai vécu une expérience unique : superlatif + have+ever+participe passé.
