CODANOVA

ARKAOS GRAND VJ

The interface is divided into several main sections:

- Top Bar:** Includes the 'grand vj' logo, a MIDI indicator, and a BPM display showing '90'.
- Left Panel:** Contains three stacked control panels:
 - Panel 1:** 'Visual' tab, showing a video preview window with 'Loop' and 'Speed' (75) controls, and a 'Segment' indicator at '106 / 107'.
 - Panel 2:** 'Effects' tab, showing a video preview window with a '76' value and a '79' value.
 - Panel 3:** 'Mixing' tab, showing 'Transparency' and 'Copy Mode' (88) controls, and 'Color' settings for R (85), G (86), and B (87).
- Center Panel:** 'Visual' tab, displaying the 'CODANOVA' and 'Wm' logos. Below the display is a 'Bank' selector (Bank 1 to Bank 9) and a 5x4 grid of numbered buttons (39-58).
- Right Panel:** 'Visual' tab, showing a video preview window with a '102' value and a '103' value. Below it is a vertical stack of 8 control rows, each with a video preview window and numerical values (e.g., 24-16, 23-15, etc.).
