## General conditions

The orchestra training summer seminar, organized by the founders of the **Lamy Quartet**, **Sebastien GIACOMI**, (conductor and cellist of the quartet), and **Yuriko KASE** (first violinist of the quartet), addresses a wide audience: children, teenagers, and adults of all levels.

A final concert will be given by the orchestra on **Saturday July 23<sup>rd</sup>** at the “Notre Dame de Locmaria” church in Quiberon (France), in collaboration with professional musicians.

The orchestra program will be chosen in function and adapted to each of the participants, from beginners to advanced students. A special work will be commissioned for the occasion by film composer **Guillaume POYET**.

Participants will receive the parts well in advance, increasing the orchestra work's efficiency and making it more interesting, while also permitting the maximum free time to fully take advantage of the extracurricular activities.

The welcoming of participants will take place on **Wednesday July 13<sup>th</sup> 2011 starting at 2:00 PM** at the «**A Parc Tehuen**», located at **28 rue du Roch Priol, 56179 Quiberon (France)**, which is situated 400m from the downtown beach, and 900m from the SNCF train station. Participants are expected to arrive **before 7:00 PM** for presentation of the teaching staff, to receive information on the festival's logistics, and to enjoy the first dinner together. The program ends on July 24<sup>th</sup> 2011.

As of July 14<sup>th</sup>, participants will work every day in instrument sectionals (9:30 AM to 12:30), and full orchestra rehearsal (5:00 PM to 8:00).

**Instrumentalists are reminded to bring a music stand and a mute !**

One or more camp supervisors, certified by **BAFA**, will be present to watch children outside of the classroom, and to accompany participants for outings (ie. fireworks on the 14<sup>th</sup> of July).

The direction declines any responsibility in the case of theft or deterioration of instruments or personal object, and recommends having personal insurance.

Any damage or degradation will be billed to the responsible party(ies).
