 network

The 4th International Meeting of the World Ocean Network, Nausicaá, Boulogne-sur-Mer, 9 – 12 May 2010 will follow the 5th Global Conference on Oceans, Coasts and Islands to be held at UNESCO, Paris. 3 - 7 May, 2010.

The meeting will develop an action plan to **mobilize the general public worldwide towards sustainable use of the oceans.**

The objectives of the 4th International Meeting:

- **To share and enrich** education and mobilisation campaigns that have been successfully implemented in different countries, and especially the campaigns of the World Ocean Network members and partners;
- **To adopt a strategy** of actions and communication in link to ocean hot topics. To develop this strategy in the 3 forthcoming years the network and partners will work together with support of new or reinforced regional delegations.
