The image features a solid orange background with a fine, woven texture. Centered on this background is a white, horizontally-oriented shape with a decorative, hand-drawn border in a dark red color. The shape has a central rectangular area with rounded corners and pointed ends on the left and right sides. Inside this white area, the word "Attention !" is written in a bold, dark red, sans-serif font. The exclamation mark is large and prominent, matching the font style of the word.
